ALLIED SEED

DIVISION OF CO-OP
G. L. F. MILLS, INC.

We suggest that you urge farmers to be as careful as possible so they do not waste or use unnecessarily any seeds which they are sowing.

Farmers who have produced surplus stocks of seed should be urged to place these seeds in channels where they can be used for this spring planting. This will be a patriotic aid to their fellow farmers in less fortunate regions where seed is badly needed to produce home grown feed for live stock.
